TO WOM IT MAY CONCERN:

I am a resident of Clarendon County in the District I school area. I have a granddaughter and a great granddaughter living in my home. Both are school aged, and both could use some after school help. At one time, Briggs – De Laine – Pearson Foundation operated an after-school tutorial program but had to end it because there was no suitable building in the Summerton area they could use. When I ask about the program, I am told that they have a building started but do not have the money to finish it. That program is greatly needed in this area and I hope that they can get it finished soon. Since Covid 19, our children have fallen further behind. I truly support Briggs = De Laine = Pearson and the programs they offer in our community.

Sincerely,

Mary L. Singleton
